# Discover Southwest Florida’s Premiere Private Golf Club

In 2016, The Nest's Hurricane Course received the Design Excellence Award from the American Society of Golf Course Architects (ASGCA).

## TWO 18-HOLE GOLF COURSES

### Gator & Hurricane Courses

Designed by the “Best Modern Day Golf Course Architect,” Tom Fazio, and considered to be one of his most superb efforts, The Nest provides two completely renovated courses that take full advantage of the landscape and the area’s natural beauty. Course elevation changes range from 11 to 28 feet, a rarity in Southwest Florida. The Club prides itself on providing courses where golfers can revel in a challenging yet enjoyable golf experience. The addition of scoring tees allows golfers of all levels to have an equal playing field. Pelican’s Nest offers innovative design, impeccable conditioning, and unparalleled prestige – a combination that has earned it the status of Southwest Florida’s premiere member-owned club.

## DINING & ENTERTAINING

Pelican’s Nest invites you to relax and enjoy the company of family and friends over cocktails and dinner in their 45,000-square-foot clubhouse. For a more casual atmosphere, visit the Thirsty Pelican Grill Room.

Meet new friends while unwinding and watching the sunset while overlooking Spring Creek and the finishing holes of the Gator and Hurricane courses from the expansive veranda. Whether you are enjoying lunch or refreshments after golf or attending one of the many seasonal dinner dances, the Clubhouse is a space that defines the camaraderie of The Nest.
